Duty of Disclosure

Before you enter into a contract of general insurance with us, you have a duty at common law to disclose to us every matter you know, or could reasonably be expected to know that a prudent insurer would want to take into account in deciding whether to insure you and, if so, on what terms. This applies to all persons to be covered under this contract of insurance.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however, does not require disclosure of a matter:

- that diminishes the risk to be insured;
- that is of common knowledge;
- that we know or in the ordinary course of our business we ought to know;
- that we state to you that we do not want to know..

Non-disclosure or misrepresentation

If you make a material misrepresentation to us, or if you do not comply with your duty of disclosure, we may treat your policy as if it never existed.

False statement and Fraudulent acts

Your policy is based on the information supplied to us by you or on your behalf. All statements made by you or on your behalf on the proposal and/or questionnaire, in support of this policy, on any claim form or in support of any claim must be true and correct. If you take any action or make any statement in connection with this policy or any claim made under it, which is fraudulent in any way or which is supported by untrue or incorrect information, we are entitled to avoid this policy and all benefits under it will be forfeited.
