

Annual Marine Cargo Insurance

Features and Benefits

EXPERTISE • SERVICE • SECURITY

Why choose Zurich's Annual Marine Cargo insurance?

At Zurich we can deliver an annual marine cargo cover written under internationally recognised Institute Cargo Clauses and complemented by our extensive additional benefits to provide a progressive, up-to-date solution for your customers.

The Zurich Annual Marine Cargo policy is a leader in the Australasian insurance market. It is suitable for goods imported or exported by sea or air and can be extended to cover transits within New Zealand or Australia by most modes of transport.

When you add in our technical experts and experienced claims staff backed by a team of international settling agents, we deliver an excellent customer experience and satisfaction.

Features

- more than 20 additional benefits augmenting cover under Institute Clauses to deliver superior cover
- protection for goods when they are imported, exported or distributed locally
- insurance solutions under an annual policy or an open cover agreement
 - an annual policy is based on the value of all shipments
 - premium is by an initial deposit that is calculated on estimated sendings and adjusted at the end of each policy period
 - an open cover policy allows individual or periodic declaration of shipments with premiums payable on each declaration
 - an open cover policy is suitable where a customer has irregular shipments or wishes to pay premiums as they arise.

Benefits

More than 20 additional benefits including:

- removal of debris with a limit of \$50,000
- container demurrage charges
- difference in coverage
- exhibitions and demonstrations cover \$200,000
- hotel/motel clause – includes hotel/motel stays in New Zealand and Australia
- re-consigned or re-shipped clause – includes goods re-consigned to any port in New Zealand or Australia
- sorting charges
- container liability.

Who would benefit from this insurance solution?

- manufacturers – importing raw materials and distributing finished goods
- wholesalers – importing stock and distributing sales
- primary producers – exporting products like beef, lamb, fish and cotton etc.
- miners – exporting coal, iron ore or bauxite
- retailers – importing stock and moving sales, purchases and stock transfers
- repairers – importing spare parts and sending customers' goods.

Please refer to the policy wording for full details of cover and terms and conditions. For more information or a quote, contact your local Zurich Broker Manager.
